No. R. 86-126, DATED BANGALORE, 4TH JULY 1902.

ORDER.—On the occasion of the Dewan's visit to the Taluk Cutcherry at Seringapatam on the 26th ultimo, a heap of papers was found lying on a table, and on examination, they were found to consist of old monthly returns, Excise licenses, Treasury Irsal Patties and other papers of different years without any sort of arrangement. There were also a number of similar papers in a box, but none of the Taluk officials were aware of its contents, till the box was actually opened and examined. There are reasons to believe that not only in this taluk but in several other taluks also, the sorting and proper preservation of records, as prescribed in the standing orders on the subject have been neglected for several years past and that consequently much confusion exists in them, and that references, when required, are not easily forthcoming. Such laxity in important matters is not creditable both to the Taluk Officers as well as the District Officers, whose duty it is to periodically inspect all offices under them and set right the defects found. It is hoped that Heads of Departments and the Deputy Commissioners of Districts will bestow special attention to the state of the records in their charge and take early steps to introduce arrangement and order into them.

Proceedings of the Government of Mysore, Revenue, dated 5th July 1902.

READ—

Letter No. 2827, dated 21st May 1902, from the First Assistant to the Hon'ble the Resident in Mysore, forwarding, for information and necessary action, copy of letter No. 700-714, dated 12th May 1902, from the Director General of Statistics, Calcutta, communicating the decision of the Government of India regarding the classification, for the purposes of Agricultural Statistics, of areas on which bamboos and thatching grass are grown.

(ENCLOSURE.)

Letter No. 700-714, dated 12th May 1902, from the Director General of Statistics, to the Hon'ble the Resident in Mysore.

1. It was ascertained recently, in the course of demi-official correspondence with the provincial Directors of Land Records and Agriculture that, for the purposes of the Agricultural Statistics, areas on which bamboos are grown are not uniformly classed, being recorded indifferently in some provinces as "Forests" or "Culturable waste," and in others as cropped areas under "Orchards and garden produce" or "Miscellaneous non-food crops."

2. It is necessary that the Statistical classification of these areas should be uniform, and I submitted the question of their classification for decision by the Government of India in the Department of Revenue and Agriculture. They have now decided that areas on which bamboos are grown should, except when they form part of forest areas, be classed as "Culturable waste other than fallow" in table A-2 (classification of area) of the Agricultural Statistics.

3. A similar question arose regarding the classification of areas on which thatching grass is grown, and the Government of India have decided that such areas shall also be classed as "Culturable waste other than fallow."

4. I have the honor to request that these decisions may be communicated for guidance to the officers responsible for the compilation of the Agricultural Statistics.

No. R. 136-43, DATED BANGALORE, 5TH JULY 1902.

ORDER THEREON.—Communicated to the Deputy Commissioners of Districts for information and guidance, with the remark that Government understand that where the lands in question are assessed but unoccupied they are in the District returns included under "Culturable waste other than fallow" (column 3 of Table A_2); where they are unassessed they are included under "Forests" or "not available for cultivation" (columns 1 and 2 of Table A_2); and lastly where they are assessed and occupied, they are included in the total of columns 1 to 5 and accounted for in columns 4 and 5. This course is in conformity with the ruling of the Government of India above recorded. Deputy Commissioners are requested specially to report the practice of their respective districts.

Proceedings of the Government of Mysore, General, dated 19th July 1902.

READ AGAIN—

Government Proceedings No. 11896-934—Mis. 2581, dated the 21st April 1899, prescribing an Annual Return of Officers in Foreign Service in Native States, corrected up to the 31st March of every year.

No. 1070-1109—G. F. 28-99, DATED BANGALORE, 19TH JULY 1902.

ORDER THEREON.—As the returns submitted by the Heads of Departments and the Deputy Commissioners of Districts, except those received from the Comptroller and the Chief Engineer of Mysore, do not contain all the information needed for the compilation of the return in this Office, Government direct that the Heads of Departments and the Deputy Commissioners of Districts need not in future submit the return alluded to, but that the Comptroller and the Chief Engineer of Mysore alone continue to submit the return carefully prepared as soon as possible after the 31st March in each year.

No. 1301-40—Mis. 201, dated Bangalore, 22nd July 1902.

Order.—At the request of the Government of India, Mr. B. L. Rice, c.i.e., Director of Archæological Researches in Mysore, has been desired by Government to revise the articles relating to Mysore in the Imperial Gazetteer of India, so as to bring up to date, the information therein contained. The articles so revised will also be printed in the form of a separate pamphlet as a supplement to the 2nd Edition of the Mysore Gazetteer.

2. To enable Mr. Rice to satisfactorily carry out the work, the Superintendent of Census Operations in Mysore is requested to place at the disposal of Mr. Rice, advance copies of all returns of the late Census of 1901, as soon as printed.

3. The Deputy Commissioners of Districts and Heads of Departments are requested to send to Mr. Rice, on requisition from him, and as early as possible, a memorandum pointing out any alterations or additions to the last issue of the Mysore Gazetteer which they consider necessary or matter to which their attention may be drawn by him. The memorandum need not contain more than hints or suggestions as to the alterations required.

4. Mr. Rice is hereby authorized to purchase a good Type-writing Machine as desired by him, sending the bill of cost and the machine to this office as soon as the special work is over.

Form to be adopted for the preparation of the Abstract Register of lands made over to the Guaranteed Railways under the control of the Government of Madras.

ORDER—No. 961 RY., DATED 23RD MAY 1902.

1. The annual Abstract Register of lands made over to the Guaranteed Railways under the control of this Government is due with the Government of India on the 1st February. Its punctual submission has hitherto been prevented by the late submission and incorrect preparation of the return by Collectors.

2. To obviate this, and to facilitate the preparation of the return, the revised form of register appended to these Proceedings has been drawn up, and will in future be adopted by Collectors. Special attention should be paid to the "notes" printed thereon.

3. It would appear from the discrepancies in the returns which have been received from some of the Collectors that the Registers prescribed in paragraph 20 of the Board's Standing Order No. 91 are not properly maintained by them. The Board of Revenue will therefore be requested to issue to Collectors such instructions as will ensure the careful maintenance of these registers in future.

NOTES.

This return will be prepared from the register (Form B) maintained by Collectors under paragraph 20 of the Board's Standing Order No. 91.

2. It relates to Guaranteed Railways, of which the Madras Railway with its extensions is the only one, under the control of the Government of Madras.

3. Separate returns must, as at present, be prepared for the Madras Railway proper and its extensions, but the following Railways and Branch Lines, which are being worked or constructed by the Madras Railway Company, do not fall under the category of "Guaranteed Railways" and no return need be submitted for them :—

(*a*) The Nilgiri Railway (from Mettupalaiyam to Coonoor).

(*b*) The Kolar Gold Fields Railway.

(*c*) The North-East Line (from Washermanpet to Waltair).

(*d*) The Shoranur-Cochin Railway.

N. B.—*It must not be assumed from the foregoing instructions that it is unnecessary for Collectors to maintain in regard to Railways other than "Guaranteed Railways" the registers prescribed in paragraph 20 of the Board's Standing Order No. 91.*

4. To save delay, the transactions up to the end of November of the year to which the return relates should be first compiled, the figures for December being included as early as possible after the close of that month. The return should be forwarded so as to reach the Consulting Engineer for Railways, Madras, *without fail*, by the 12th January.

5. Attention must be paid to the following instructions for the preparation of the return :—

Column 2. In this column will be entered the total area of all classes of lands made over to the Railway. Consequently this total must be the sum of the areas of the A, B, D and C class lands entered in columns 8, 10, 12 and 14. The area of the lands restored to Government should not be deducted from the figures in this column, but should be shown separately in column 5, so that the area in the actual possession of the Railway will be the difference of the figures in columns 2 and 5.

Column 3. In this column must be entered the sum of the *net* amounts entered in columns 9, 11, 13 and 15, *i.e.*, the compensation paid at the time of acquisition, *less* any realisations from sales and any amounts subsequently recovered from the Railway Company. The sale-proceeds of lands, which have been relinquished, should not be deducted from the amount in this column, but should be shown separately in column 6.

Column 4. This column should show the annual loss of revenue to Government on A, B and D class lands made over, including any that may have been relinquished. It should include loss of revenue of any kind sustained by Government. When land originally acquired under class C is subsequently transferred to A, B or D class, the loss of Government revenue (and not the rent) in respect of it should be included in this column.

Column 5. The area of lands of whatever class which may have been restored to Government should be shown in this column.

Column 6. The sale-proceeds of lands of all classes restored to Government should be entered in this column, adding the amounts that may have been recovered from the Company under paragraph 17 of the Board's Standing Order No. 91, on account of the diminished value of C class lands restored to Government.

Column 7. The annual revenue derived from lands which have been relinquished by the Railway Company will be entered in this column.

Columns 8, *to* 15. When land is transferred from one class to another the entries relating to its extent and original cost should be correspondingly interchanged; *e. g.*, if 2 acres of land costing Rs. 160 were originally acquired under Class B and were subsequently transferred to Class A, their acreage and cost should be deducted from the entries in columns 10 and 11, and be added to those in columns 8 and 9. No deductions should be made on account of lands relinquished to Government in arriving at the figures for columns 8, 10, 12, 14 and 9, 11, 13, 15.

Column 16. This column should show the rent payable by the Company on Class C lands in its possession at the end of the year.

Letter No. 320, dated 4th April 1902, from the Inspector of the Agricultural Banks submitting the report on the inspection of the Agricultural Bank at Sabbanhalli in the Goribidnur Taluk, made by the Sub-Division Officer, Chikballapur, received with letter No. 1805, dated 22nd March 1902, from the Deputy Commissioner, Kolar District.

No. R. 335-6 -R. F. 120-96, DATED BANGALORE, 16TH JULY 1902.

ORDER THEREON.—It is reported that the present state of this Bank is not satisfactory. The Bank would do well to benefit by the warning given it by the Sub-Division Officer and the Inspector of Agricultural Banks. If matters should not improve within a reasonable time, the Deputy Commissioner will seek the further orders of Government. In the meanwhile attention is directed to the following observations:—

Reference to Report.	*Observations by Government.*
Para 2. There is a registered suitable Bank office at Sabbanhalli. But business of the Bank is being now transacted in the house of the Agent Ramappa at Vatadahosahalli one mile from Sabbanhalli.	The Bank should take early steps to get the sanction of the Chief Court for the transfer of the office from Sabbanhalli to Vatadahosahalli as required by Section 12 E. (a) of the Mysore Company's Regulation. This has been already pointed out by the Inspector of Agricultural Banks.
Para 3. No dates and hours are fixed for the transaction of business but generally the work is said to have been carried out between 11 A. M. and 6 P. M. daily for about nearly 20 days in the month.	They may be fixed and notified from time to time.
Para 6. The Bank seems to have lost in strength and usefulness but the President and Agent seem to have been endeavouring of late to render it useful.	This should be done.
Para 7. The Bank has obtained no guarantee nor do the rules of the General Assembly afford safeguards against alienations and relinquishments.	The attention of the Bank should be drawn to para 72 of the Articles of Association so that proper rules may be framed by the General Assembly at an early opportunity. The Bank should be required to have such a rule framed for enforcing the furnishing of the information by members about transfers, relinquishments etc.
Para 8. The Bank authorities have either themselves taken more money or seem to have helped particular individuals.	It is reported by the Inspector that particularly the Agent who had taken Rs. 1,000 in excess of what the rules allowed in his own name and another sum of Rs. 1,000 in his undivided brother's name, had not returned the excess amounts though required to do so so far back as in 1898 and 1899. This is highly irregular. The Bank should take early steps to set matters right. The Agent should be removed in case he persists in such transgression of the rules.
Para 9. Out of Rs. 4,000 being the amount of two instalments due to Government, only Rs. 910 has been paid up to date, leaving a balance of Rs. 3,090 in arrears.	The Deputy Commissioner's attention is drawn to Government Order No. 1818-20—R. F. 120-96, dated 25th October 1901.
	A report should at once be made as to whether the balance has been paid or not.

Revenue, dated 16th July 1902.

Reference to Report.	*Observations by Government.*
Para 11. Sums up to Rs. 400 appear to have remained with the Agent on 2 or 3 occasions up to the end of the month without being utilized.	This should be avoided.
Following are the general results of the Bank's transaction up to date of inspection :—	
Receipts. Rs. Total .. 33,300-12-0 Expenditure. Rs. 32,900-9-2	How is the difference account for.
Para 12. In addition to the restrictions and limitations prescribed in Section 42 of the Articles of Association the General Assembly has not prescribed any limit as to the value of landed property held by applicants for loan.	A proper limit should be prescribed by the General Assembly.
The Agent has taken a loan of Rs. 1,000 under Class I and a similar loan under Class II. His brother, who is a joint member of the family and is also a member of the Bank, has taken a loan of Rs. 1,000 under Class I on the security of his own immovable property worth Rs. 850.	This is not at all satisfactory. The Bank should take early steps to recover the amounts due. The Agent should either strictly adhere to rules or vacate.
Note the sums obtained and used for the several purposes indicated in the appended form :—	
Amount obtained Amount spent. Total ...Rs. 26,155-0-0 Rs. 2,408-11-11	How is the difference accounted for and what became of the balance.
Para 13. Five persons who have obtained loans are said to have redeemed their properties but they have not produced the deeds in the Bank as yet.	This omission should be supplied without further delay.
Para 14. No punctuality seems to have been hitherto observed in the payment of dues by members.	This should be insisted on generally.
Para 16. Special resolutions have been duly confirmed and registered. In one of these, the Government has been asked to lower the present rate of interest payable to it on loans and to reduce the minimum of the yearly instalment payable towards the adjustment of loans.	This prayer cannot be granted. The Bank has been treated with all possible liberality and the prayer for further concessions is unreasonable.
Para 17. It is said that the Directors meet twice for transactions of business. No book seems to have been maintained in the Bank for recording their resolutions.	This should be done and the Register No. XVII should be separately maintained for recording resolutions of the meeting of the Board of Directors.
Para 19. Registers are kept and they are all up to date.	Registers Nos. V, X, XI, XVII, and XVIII do not appear to have been opened. These Registers should also be maintained.

Letter No. 343, dated 23rd April 1902, from the Inspector of Agricultural Banks, submitting the report on the inspection of the Agricultural Bank at Honganahalli, Malur Taluk, made by Mr. K. R. Srinivasiengar, Assistant Commissioner, received with letter No. 1912, dated 4th April 1902, from the Deputy Commissioner, Kolar District.

No. R. 337-8—R. F. 78-97, DATED BANGALORE, 16TH JULY 1902.

ORDER THEREON.—Government are glad to find that, with the exception of a few shortcomings dealt with below, the affairs of this Bank are being conducted in a satisfactory manner.

Reference to Report.	*Observations by Government.*
Para 6 (7). H. Venkoba Rao resigned the membership in October 1899 so as to qualify himself to serve as a gumasta in the Bank.	This is rather disappointing.
Para 7 v. No rule has been framed by the Bank for making it obligatory on the members to give notice of relinquishments, transfers etc.	The attention of the Bank should again be drawn to para 72 of the Articles of Association, so that proper rules may be framed by the General Assembly at an early opportunity. The Bank should also be required to have such a rule framed for enforcing the furnishing of the information by members about transfers, relinquishments etc.
Para 9. No terms have been definitely fixed for the repayment of the Government loan.	Orders on this point have already been issued requiring repayment in 15 annual instalments commencing from 1899-1900. They should be strictly enforced.
Para 10. To encourage fixed or permanent deposits, they should be made to carry a higher rate of interest than current deposits and they should also be repayable on demand after a certain number of years.	This raises an important question which is under the consideration of Government; but in the meantime, there seems nothing to prevent what is best in the Bank's interests being done without an infringement of the existing rules.
Para 11 ii. No separate register is maintained for contingencies.	A register of contingent charges should be opened, Register No. XIX.
Para 11 iv. The balances on the dates noted below exceeded the limit fixed in the Articles of Association.	This should be avoided.
Para 14. Strict punctuality in the repayment of loans does not appear to be properly enforced. The number of defaulters is 16, one of whom is the President.	The Bank should enforce strict punctuality in the repayment of the loans and adopt timely measures.
Para 15. Rs. 500 has been carried to the Reserve Fund as per Resolution of the General Assembly, dated 25th July and 12th August 1898. This amount is operated upon like other amounts at the disposal of the Bank.	This should not be done. The Reserve Fund should be left untouched.

Para 17. No separate book has been opened to record their (Director's) resolution so that it is not possible to say definitely if the Directors *did actually meet* every month *at the Bank* for transaction of business.

A Register (No. 17) should be separately maintained for recording resolutions of the meeting of the Board of Directors.

Para 20 iii. A receipt book with counterfoils should be maintained and receipts should be furnished for every payment made to the Bank.

It is explained by the Inspector of Agricultural Banks that printed receipt books with counterfoils can be had at the Vichara Darpana Press, Bangalore, and are used by other Banks and that the Agent of this Bank has been informed of this.

Para 20 vi. In the ledger now maintained, no particulars are entered of accounts advanced to other members on one's security. An additional column should be provided to show this.

The form of ledger prescribed and in use in Banks opened since March 1898 contains a column to show the sums advanced to others on the security of a member. A copy of this form was sent to the Agent of this Bank by the Inspector of Agricultural Banks. It may be adopted.

Government Proceedings No. 2753—R. F. 99-93, dated 30th September 1899, observing that the levy of water-rate cannot be enforced on raiyats holding lands which are situated under the channels drawn from the Borankanave reservoir in the Huliyar Sub-Taluk and for which no water is taken from the said channels by the raiyats.

1. D. O., dated 21st January 1901, from Colonel J. P. Grant, Superintendent of Revenue Survey in Mysore, stating that Government have, under Section 53 of the Mysore Land Revenue Code, the power of assessing lands for the value conferred on them by new works of irrigation constructed by Government.

2. Letter No. 2629, dated 10th May 1901, from the Chief Engineer of Mysore, stating that it is very desirable that all dry lands under the left bank channel of the Borankanave reservoir should be assessed at wet rates, as, unless this is done, Government will not be able to realize any fair return for the heavy outlay on the construction of the said tank and channel, and requesting that the Revenue Survey Department might be instructed to revise the classification of the lands in question.

No. R. 375-7—R. F. 99-95, DATED BANGALORE, 19TH JULY 1902.

ORDER THEREON.—Government find that the question of levying wet rates on lands for which water has been made available at the cost of Government, without allowing any option to the occupant to hold his lands at previous rates if he elects not to use the water, has been decided so long ago as in 1873 by the Chief Commissioner's Proceedings No. 2313—R. 23, dated 4th August 1873. Section 53 of the Mysore Land Revenue Code contains nothing contrary to the foregoing order, and must be construed in consonance with the usage of the State. Government accordingly direct that water-rates may be levied on the lands commanded by the channels taken from the reservoir. The wet rates which should be imposed by the Revenue Survey Department, may be shown separately in the akarband.

2. *Land Revenue.*—There has been a net increase of Rs. 43,325 in the total demand including arrears. The decrease in the Shimoga District was chiefly due to the arrears at the beginning of the year 1901-02 being less than those at the commencement of the previous year. The falling off of Rs. 27,265, chiefly under current demand, in the Bangalore District, requires explanation, which the Deputy Commissioner is requested to furnish at an early date.

3. The percentage of Balance to the entire Demand is as follows:—

Districts	*1900-01.*	*1901-02.*
Kadur	29·1	37·1
Shimoga	38·4	34·2
Hassan	22·9	29·4
Kolar	17·7	22·1
Mysore	9·7	11·0
Tumkur	9·4	9·7
Chitaldrug	10·9	8·8
Bangalore	6·4	5·8

The percentage is considerably higher than what it was in the previous year in the Kadur and Hassan Districts and shows that satisfactory progress has not been made in collecting the revenue due to Government.

4. *Mohatarfa.*—The closing balances were heavy in the Kolar and Mysore Districts, being Rs. 10,404 and Rs. 12,304 respectively. Timely measures should be adopted for the realization of the balance.

5. *Miscellaneous.*—The balance of Rs. 7,204 in the Shimoga District should be collected early.

Letter No. 1293, dated the 23rd May 1902, from the Deputy Commissioner, Bangalore District.

No. R. 439-40, DATED BANGALORE, 22ND JULY 1902.

ORDER THEREON.—In July 1891, the villagers of Marenaballi in the Bangalore Taluk, applied to the Amildar of Bangalore for the grant of 4 acres and 8 guntas of land out of unassessed Government waste Survey No. 44, measuring 6 acres and 8 guntas in the said village for the formation of a new village, on the ground of their village site being contiguous to the waste weir of the village tank and consequently unhealthy. The remaining 2 acres containing a tope, temples etc., were requested to be reserved to Government. After due enquiry, the Deputy Commissioner granted their prayer in May 1893. Till July 1899, the new village was not formed, when the villagers made a further representation that the site already granted was not sufficient and that 2 acres and 8 guntas of land out of occupied Survey No. 41, measuring 14 acres and 12 guntas and assessed at Rs. 17 in the same village was necessary. Finding that only 2 acres of land out of Survey No. 44 was eligible for building purposes, the Amildar enquired of the occupants of Survey No. 41, whether they would part with the extent required. The occupants state that they will part with it free of any compensation, on condition of the old village site, (which measures 3 acres and 30 guntas), being assessed and granted to them for cultivation in exchange for their lands. The Amildar states that the value of the new lands to be acquired being higher than the amount which may be realized by the sale of the old site, the exchange proposed may be permitted in the interest of the villagers. It is further stated that the new land will be divided into 48 sites consisting of both big (400 square yards) and small (240 square yards) sites, the former being sold at Rs. 12-8-0 for each site and the latter at Rs. 7-8-0 for each site, at 6 pies per square yard, and the sale proceeds applied to the opening of roads etc. The Deputy Commissioner, recommends that the above proposals be sanctioned and submits an alienation statement.

The assessment now imposed on the extent of land taken out of Survey No. 41 will be written off the accounts and the old village site assessed in consultation with the Superintendent, Mysore Revenue Survey, and granted for cultivation to the individuals, whose lands will be taken for the new village.

The provisions of Rules 45—50 under the Land Revenue Code will be followed in disposing of occupancies of building sites and in making out new or additional village sites.

The provisions of the Mysore Village Sanitation Regulation, No. I of 1893, and the rules thereunder should also be kept in view.

The 2 acres of land out of Survey No. 44 of the village containing a tope and temples etc., should be reserved and the necessary remark made in the Khetwar Patrik.

D. O. letter dated 14th instant, from the Comptroller to the Government of Mysore, reporting a balance of Rs. 5,59,997 against the Palace on the 1st July 1902, which has been paid out of the State Treasury.

No. FL. 154-7, DATED BANGALORE, 17TH JULY 1902.

ORDER THEREON.—On the 1st July 1898 there was a debit balance of Rs. 4,42,234-6-10 on account of the marriages in the Palace in 1896-97. This overdraft, however, was reduced to Rs. 17,723-13-10 on the 1st July 1900 owing to the adjustments made in the interval as noted below:—

		Rs.	a.	p.
(a)	Withdrawal of Rs. 65,886-15-3 originally debited to the Palace but subsequently charged to the Public Works Department budget	65,886	15	3
(b)	State grant of two lakhs for the marriages	2,00,000	0	0
(c)	Miscellaneous receipts from the Palace	1,58,623	9	9
	Total ...	4,24,510	9	0
	Balance ...	17,725	13	10
		4,42,234	6	10

In June 1900, however, there was again a heavy expenditure as detailed below on account of the marriages of His Highness the Maharaja and his sister:—

		Rs.
(a)	On the marriage ceremonies of the Maharaja	4,16,378
(b)	On the marriage of the latter	2,37,010
(c)	Cost of jewels purchased by Her Highness the Maharani-Regent for the Maharaja and his bride	1,87,234
(d)	Charge of the Marriage Pavilion to be debited to the marriage account	86,851
(e)	Entertainment of distinguished guests	1,61,047
(f)	Miscellaneous extraordinary expenditure incurred at the time of the weddings but not properly debitable to that account ...	1,57,639
	Previous deficit...	17,723
	Total ...	12,63,882

A portion of this expenditure amounting to Rs. 9,01,476, including Rs. 1,09,203 being the value of stock in the Marriage Pavilion to be transferred to the Public Works Department, was advanced from the State Treasury and the rest was met from funds at the disposal of the Palace.

The Government, however, are now in a position to pass orders in final adjustment of the full expenditure incurred on account of the marriages and accordingly direct that the following items should be charged to the General Revenues:—

		Rs.
(a)	Marriage ceremonies of His Highness the Maharaja, including the original grant of Rs. 3,00,000 and the excess expenditure of Rs. 1,16,378	4,16,378
(b)	Net charges on account of the Marriage Pavilion	86,851
(c)	Entertainment of distinguished guests	1,61,047
	Total ...	6,64,276

Deducting this amount of Rs. 6,64,276 as well as the value of stock in the Marriage Pavilion, *viz.*, Rs. 1,09,203 which should be transferred to the Public Works Department, there still remains a balance of Rs. 1,27,997 on account of marriage charges. This last amount together with Rs. 4,32,000, the estimated amount of overdraft on the State Treasury on the 1st July 1902, necessitated by the heavy

expenditure incurred by the Palace on account of these marriages, is reported to amount to Rs. 5,59,997. In adjustment of this amount, the Comptroller is requested to credit to the State Treasury the following sums :—

	Rs.
(a) From the investments of the late Maharaja's savings ...	2,19,666
(b) From the interest on such investments... ...	1,00,000
Total ...	3,19,666

The estimated balance of Rs. 2,40,391, or the actual verified amount in case of difference, will be credited out of the Civil List grant for the current official year in full adjustment of all overpayments made from the State Treasury.

If after these adjustments are made, the balance in the Civil List grant of the current year is not sufficient towards the close of the year for the ordinary expenses of the Palace, the Comptroller is requested to submit a timely report and obtain the orders of Government as to allowing fresh overdraft for the future.

It is noted that Government Order No. 424, D. C. dated 14th March 1901, authorized the Comptroller to allow overdrafts for only the succeeding three months of April, May and June, subject to adjustment presumably in the beginning of the next official year. This adjustment was not only not effected, but further overdraft was also allowed without due authority from Government. In the future whenever such necessity arises the Comptroller is requested to invariably obtain the previous sanction of Government.

READ—

Letter No. 2209, dated the 1st April 1902, from the Secretary to the Mysore State Life Insurance Committee, Bangalore, to the Secretary to the Government of Mysore, General and Revenue Departments.

Having regard to the inconvenience and trouble involved in the submission of proposals for further insurance necessitated by small increments to pay, which, in the case of certain classes of officers are very frequent, and taking into consideration the amount of increase of work out of all proportion to the benefit derived therefrom, the Committee have resolved in their meeting held on the 22nd March 1902, to raise the minimum of four annas laid down in Rule 7 to annas eight or multiples thereof. I have therefore the honor to request that you will be so good as to obtain the sanction of Government for the alteration of Rule 7, as suggested in the resolution herewith submitted.

Copy of Resolution No. 2 of the Meeting held on 22nd March 1902.

(2) **Proposals Nos. 5994 and 6112** containing the President's suggestion to raise the multiple of annas four to that of annas eight in the calculation of monthly premium on policies for further insurance.

Resolved that for "Multiples of four annas" in Rule 7 "Multiples of eight annas" be substituted.

No. FL. 170, DATED BANGALORE, 19TH JULY 1902.

ORDER THEREON.—The proposed alteration of Rule 7 of the Mysore State Life Insurance Rules is approved and will be duly notified in the *Mysore Gazette*.

2. The altered Rule will be as follows:—

"7. Ten per cent of the pay of the insured shall be recovered every month "as premium and credited to Government, in consideration of which "an endowment bonus (according to the table appended to these rules) "shall be payable from the Mysore Revenues on the insured completing 55 years of age or at his death if earlier. Fractions of a rupee "other than multiples of eight annas, shall be excluded in calculating "the monthly premium."

The following letter No. 45-4, dated 3rd July 1902, from the Excise Commissioner in Mysore:—

"I have the honor to submit herewith for approval and publication a draft notification containing certain amendments to be made in the Foreign Liquor Rules published under Government Notification No. 11469—Ex. F. 3-1901, dated the 10th January 1902.

"2. The sale of country beer having been excluded from the license for the vend of *draught* foreign malt liquors, the amendments referred to in clauses (2), (3) and (5) of the accompanying draft notification are proposed.

"3. Mr. Carr, Deputy Commissioner, Kolar District, having, under the revised arrangement, successfully sold the two country beer taverns, one at Bowringpet and the other in the Gold Fields, for the year 1902-03, wrote to me to say that he would advise nothing further as affecting Mr. Anderson's *draught* English beer tavern; that it was a *very small* matter and would make little or no difference in Government revenue, and that the Mining Board would be pleased if Mr. Anderson was left alone. Accordingly I have not pressed the sale under the present rule, of Mr. Anderson's *draught English* beer tavern, and have allowed the Deputy Commissioner to permit the sale of the *draught English* beer in Mr. Anderson's tavern as heretofore, during the current year. A rate of license fee for each hogshead of beer sold in it, may be fixed next year in view to adopt the uniformity of procedure both in regard to country beer and *draught* Foreign beer. Hence the proposed amendments referred to in clauses (1) and (4) of the accompanying draft notification."

No. 60-69—R.F. 119-93, DATED BANGALORE, 18TH JULY 1902.

ORDER THEREON.—Government approve of the Excise Commissioner's action. They further agree to the modification proposed by him and are accordingly pleased to issue the following notification.

NOTIFICATION.

No. 70—R.F. 119-93, dated Bangalore, 18th July 1902.

In exercise of the powers conferred by Section 29 of the Mysore Excise Regulation V of 1901, and in exercise of all other powers enabling them in this behalf, the Government of Mysore hereby make the following amendments in the Foreign Liquor Rules published under Government Notification No. 11469—Ex.F. 3-1901, dated 10th January 1902:—

(1) Insert the following proviso at the end of para 3 of Rule II:—

"Provided however, that in special cases recommended by the Deputy Commissioner, they may be granted without sale, subject to the payment of license fees according to the scale laid down in Rule VI, or at such other rate as may, from time to time, be fixed by Government."

Excise, dated 18th July 1902.

(2) Omit the last sentence in Rule XII.

(3) Omit conditions II and V in the Retail Tavern License for the vend of *draught* foreign malt liquors.

(4) Insert the following sentence at the end of condition IV of the aforesaid License :—

"If the privilege is not sold, license fees in accordance with the scale laid down in Rule VI, or at such other rate as may, from time to time, be fixed by Government, shall be paid."

(5) Substitute the following for condition XV in the aforesaid License :—

"The beer or porter or ale sold, shall be genuine foreign malt liquors of special brands of good quality. Samples of such beer and porter or ale shall be sent duly bottled, from the tavern for examination and test, whenever required by the Excise Department."

Appellant	*versus*	Respondent.
Sitamma Heggadati.		Manjaiya.

Subject.

Appeal against the order of the Deputy Commissioner, Kadur District, directing the sale of the Khalsat lands in the possession of the appellant for arrears of assessment.

Facts of the Case.

1. In allocating the inam in Case No. 195—278 in Kudavalli village, Chikmagalur Taluk, Survey Nos. 170, 171 and 174, measuring in all 12 acres and 12 guntas and assessed at Rs. 31-8-0, were brought under excess and fully assessed. The respondent Manjaiya possesses $\frac{1}{5}$th share of the inam and the appellant represents the other four hissedars. Manjaiya is not in possession of any of the above lands brought under excess, but is in possession of two inam numbers. He refused to pay any portion of the arrears for three years due on the excess lands and as the other hissedars had paid $\frac{4}{5}$ths of the assessment on the excess, the Amildar sold one of the inam numbers in the possession of Manjaiya in satisfaction of the balance. In support of this procedure, the Amildar relied on Government Order No. 22616-7—P. F. 139-93, dated 19th June 1894, passing orders on the appeal of Subbabhatta of Agasarahalli, Belur Taluk, and ruling that the assessment on the excess should be charged as jodi on the entire inam, the combined quit-rent being recovered from the sharers in the proportion of the Survey valuation of the portions of the inam held by them.

2. On appeal by Manjaiya, the Deputy Commissioner (Mr. Weir) held that as the authorized accounts showed the arrears as being due only on the Khalsat lands, the proceedings against the inam lands were not legitimate and directed the recovery of the arrears from one or more of the Khalsat numbers.

Decision.

The Deputy Commissioner's order cannot be supported. His attention will be drawn to Notification No. 2116—P. F. 58-95,dated 16th May 1902, and he will be asked to take the requisite action in accordance with the rule therein laid down and which rule enunciates the principle long followed in such cases.

Shama Rao.		Patel Hyder Sab and eight other

Subject.

Appeal against the Kolar Deputy Commissioner's order cancelling the sale of Survey No. 28 of Siddimat village, Chintamani Taluk.

Facts of the Case.

On the application for cultivation of one Chikmuniyappa of Kodathavadi village for unoccupied Survey No. 28 of Siddimat (measuring 16 acres assessed at Rs. 28 and containing 70 honge and other trees) the land was notified on 28th December 1900 for sale by public auction. The respondents who are the residents of Siddimat pentitioned the Amildar about the same date, stating that their village had not sufficient gomal lands and that the land in question which had been hitherto used as grazing land should not be thrown open to cultivation. The sale was, however, held by the shekdar on 26th January 1901, and the land knocked down to the applicant Chikmuniyappa who was the highest bidder for Rs. 6. Patel Hyder Sab was present at the sale and signed the sale list, while the rest of the respondents did not attend. The sale was confirmed by the Amildar on 5th May 1901, and a saguvali chit issued on the 12th idem. On the 8th June 1901, the respondents complained to the Deputy Commissioner of the sale of the land in spite of their protest and stated that the sale was held without their knowledge and that the land was sold for a very inadequate price. The Deputy Commissioner observing that the price realised was too low, cancelled the sale on 24th August 1901, and ordered the reservation of the land for the benefit of the village community, subject to the annual payment of the full assessment as a sort of hulbanni. Chikmuniyappa having sold the land on the 27th June 1901 to the appellant, the latter appeals to Government against the Deputy Commissioner's order.

Decision.

The respondents were admittedly aware of the darkhast made by Chikmuniyappa for the land in question which was an unoccupied assessed land. They even objected to the land being given out for cultivation. Their objection based upon the insufficiency of the gomal of their village was rightly disallowed. The sale was subsequently conducted in accordance with the rules. The statement that the respondents were not aware of the sale, cannot be believed. The first respondent, who is the patel of the village was present at the sale and has signed the haraj patti. It is impossible to believe his story that he was asked by the Taluk authorities to keep the sale a secret from the bulk of the villagers. The sale was duly confirmed and possession given to the purchaser. Government are not satisfied as to the

Petition, dated 9th July 1902.

correctness or the subsequent proceedings which culminated in the sale being set aside and in the land being given to the respondents. Before the date of those proceedings the land had, moreover, changed hands, the appellant having purchased it for valuable consideration from the auction purchaser Chikmuniyappa. The Deputy Commissioner's suggestion that the land be acquired for the benefit of the respondents and at their cost under the Land Acquisition Regulation does not commend itself to Government.

The Deputy Commissioner's order is under these circumstances reversed and the land ordered to be restored to the appellant.

Puttamma.		Chennaveerappa.

Subject.

Appeal against the order of the Deputy Commissioner, Bangalore District, confirming the sale of Survey No. 50 of Huskur village, Nelamangala Taluk, for arrears of revenue.

Facts of the Case.

The assessment for 1899-1900 on Survey No. 50 (measuring 4 acres and 16 guntas and assessed at Rs. 19-2-0) of Huskur village, Nelamangala Taluk, having fallen into arrears, a notice of demand was served on Rudrappa, the person in actual possession of the land, on the 19th March 1900, Puttamma, the khatedar of the land, having left her usual residence owing to the prevalence of plague and her whereabouts being unknown. The default having continued, the land in question was forfeited on 27th April 1900 and was sold in public auction to the respondent, Chennaveerappa, on 29th May 1900 for Rs. 25, after the service of sale proclamation on Rudrappa. The Assistant Commissioner in charge of the taluk confirmed the sale on 18th December 1900, after ascertaining that the sale price was fair. Puttamma appealed to the Deputy Commissioner against the above order, on the ground that notices of demand and sale had not been served on her and that the sale was irregular. The Deputy Commissioner declined on 5th June 1901 to cancel the sale.

Decision.

The sale was properly held. There were no material irregularities or omissions. The alleged inadequacy of the price realized has not been established. The appeal is accordingly rejected.

Appeal No. 29 of 1901-02.

Appellant	*versus*	Respondents
Nanjundaiya.		1. Seethamma.
		2. Savitramma.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, directing the registry of the shanbhogi office of Sasalu firka, Chiknayakanhalli Taluk, in the name of the 1st respondent Seethamma.

Facts of the Case.

Vasudevaiya who was the registered shanbhog of Sasalu and Makavalli firkas in the Chiknayakanhalli Taluk, died in November 1899, leaving him surviving a widow and an unmarried daughter Seethamma. The appellant who is a divided brother of Vasudevaiya thereupon claimed the registry in his name of both the firkas as the elder brother of the deceased, while Savitramma, the widow of the deceased, claimed the registry in her name. The Assistant Commissioner in charge of the taluk sanctioned in February 1901, the Amildar's recommendation that the two firkas be registered in the name of Nanjundaiya but that Narnappa, son-in-law of Sitaramaiya, a deceased divided brother of Vasudevaiya, was to continue to do the duties of Sasalu firka as gumasta, while Nanjundaiya was to be the officiator of Makavalli firka. In July 1901, the widow of Vasudevaiya died and in September, Nanjundaiya appealed to the Deputy Commissioner against the Assistant Commissioner's order allowing Naranappa to be gumasta of Sasalu firka. On the 6th November 1901, the Deputy Commissioner passed an order directing the registry of Sasalu firka in the name of Seethamma, appointing Narnappa as gumasta thereof and observing that Savitramma, 2nd respondent, widow of Sitaramaiya, had her right of maintenance out of the potgi of Sasalu firka.

Decision.

Vasudevaiya was admittedly divided in interest from his brothers. He is dead. He was the shanbhog of two firkas, Sasalu and Makavalli. He was himself incompetent to discharge the duties appertaining to the office in question. As his gumastas his brother Nanjundaiya, the appellant, was managing four villages and his deceased brother Sitaramaiya's son-in-law Narnappa the other four villages. He has left him surviving three daughters, two of whom are married, while the other, the first respondent Seethamma is a minor. The competition now is between the appellant and the first respondent. The second respondent, as the widow of a divided brother, has no *locus standi*. The Deputy Commissioner has given the Makavalli firka to the appellant, and Government are not disposed to disturb this arrangement. The Deputy Commissioner has directed that the other or Sasalu firka be registered in the first respondent's name. This is in accordance with the law of succession and with precedent and Government see no reason to question its propriety. The Deputy Commissioner's observation that this firka is "reserved for the heirs of Sitaramaiya and Vasudevaiya," cannot be accepted as correct, the heirs of Sitaramaiya (*i. e.* widow

and son-in-law) having no recognizable interest whatever in this firka. The Deputy Commissioner is further wrong in holding that "Sitaramaiya's widow has her right of maintenance out of the potgi of this firka."

It is a question whether the first respondent's eldest sister's husband or some other person more interested in her would not be a better gumasta for her than the said Narnappa. The Deputy Commissioner should satisfy himself as to who is the best man to be appointed the girl's gumasta and make an appointment accordingly.

The appeal is rejected and the Deputy Commissioner's order substantially affirmed, subject to the above modifications.

Appellant	*versus*	Respondent
Venkoba Rao.		Sitabayi.

Subject.

Claim to the shanbhogi office of Alur firka, Channagiri Taluk.

Facts of the Case.

Narayan Rao, nephew (elder brother's son) of the appellant, was the registered shanbhog of Alur firka, Channagiri Taluk. On his death without male issue in 1899, his widow Sitabayi claimed the registry of the office in her name, while, on the other hand, the appellant contended that he and the deceased Narayan Rao were undivided in interest and claimed the registry either in his own name or in that of one of his four sons, as he was already the shanbhog of Koglur firka. The Assistant Commissioner in charge of the taluk (Mr. C. B. Seshagiri Rao) held that the appellant and the deceased Narayan Rao were divided, and ordered the registry of the office in the name of the respondent and the appointment of the appellant as her gumasta subject to the condition that the latter should give the former for her maintenance one-half the Potgi. The appellant not having observed this condition, the Assistant Commissioner (Mr. Shama Rao) removed him from the gumastaship and appointed one Siddalingappa nominated by the respondent, and this order was on appeal upheld by the Deputy Commissioner.

In the further enquiry held under the order of Government by the Assistant Commissioner (Mr. Ananda Rao), it has been proved that the appellant Venkoba Rao and his nephew Narayan Rao were undivided in interest.

Decision.

The Assistant Commissioner (Mr. Ananda Rao) has found on what appears to be conclusive evidence that the appellant Venkoba Rao and his deceased nephew Narayan Rao were undivided in interest. Government accept this finding. It follows that the deceased's widow, the respondent, cannot claim to succeed to the office in question in preference to the appellant and his sons. As the appellant is already the officiator of one firka, the other, *viz.*, the one now in dispute, will be registered in the name of the most eligible of his sons, a gumasta being appointed, if necessary, during the boy's minority. The Deputy Commissioner will make a suitable selection and appointment accordingly. The order appealed from is reversed and the appeal allowed.

Kothandaramaiya.		Subbamma.

Subject.

Appeal against the Deputy Commissioner's order dispensing with the services of the appellant as shanbhog of Akkimangala village, and registering the respondent as the hakdar of the shanbhogi office.

Facts of the Case.

In November 1890, one Narasanna and his son, Nanjundaiya of Attur village, represented to the Deputy Commissioner, Kolar District, that the appellant who was the officiator shanbhog of Akkimangala village (then in Sidlaghatta but now transferred to Chintamani Taluk) was not the hakdar, that he had been convicted of the offence of perjury in 1879, and that, as they were the hakdars, the appellant might be removed from the office, the same being conferred on them. It was found during the long enquiry that followed that one Nanjappa was the original hakdar, that he had two illiterate sons, Thippaiya and Gangadharaiya, who mortgaged the office to Narasanna in 1860-61, that this mortgage had been declared by the Superintendent of Nundydroog Division as null and void in 1862, that Venkat Rao, father of the appellant was appointed shanbhog of the village in 1866 and that the appellant succeeded him in 1880. The Assistant Commissioner in charge of the Taluk decided in June 1898 that Nanjundaiya should establish his hak, if any, by a regular suit. In June 1899, the respondent, who is the widow of Gangadharaiya applied to the Assistant Commissioner for the registry of the office in her name and for the sanction of her nomination of one Chowdappa as gumasta. The Assistant Commissioner complied with her application and directed the removal of the appellant. On appeal, the Deputy Commissioner up-held the Assistant Commissioner's order observing that the appellant having been convicted in 1879 of perjury was unfit to hold the shanbhogi office.

Decision.

The original hakdars, Thippaiya and Gangadharaiya practically lost the office in question some 40 years ago. The respondent, who is the widow of one of them cannot be permitted to set up a title after this long lapse of time, nor are there any grounds to warrant the appellant being ousted from an office, which, in succession to his father, he has been in possession of for some 30 years past. His conviction for perjury was antecedent in date to his appointment and cannot now be regarded as a disqualification. The Deputy Commissioner's order is set aside and the appeal allowed.

Appellant	*versus*	Respondent
Ganesh Rao.		Hanumanta Rao.

Subject.

Appeal against the order of the Deputy Commissioner, Chitaldrug District, registering the shanbhogi office of Dittur firka in the name of the respondent.

Facts of the Case.

The appellant and the respondent are related to each other as shown in the following geneological table:—

Bhistappa.

Sivramappa.	Krishnappa
Neelakantappa.	Ganesh Rao.
Hanumanta Rao.	

(Said to be adopted to Neelakantappa.)

In September 1898, Lingappa (cousin of Bhistappa) who was the registered shanbhog of Dittur firka died, leaving no issue and the shanbhogi office was in October 1899 registered in the name of Krishnappa, the shanbhogi office of Karlahalli firka (otherwise called Kurubarhalli firka), of which he was already the officiator being registered in the name of his minor son Ganesha Rao, (appellant).

2. On the death of Krishnappa in July 1900, his widow applied for the registry of Dittur firka in the name of the appellant, while the widow of Sivramappa claimed that the right to the vacant shanbhogi office vested in her and in her daughter-in-law (widow of Neelakantappa) on the ground that Lingappa had in 1877 relinquished his shanbhogi hak to Neelakantappa.

On 19th April 1901, the Deputy Commissioner passed an order directing the registry of the shanbhogi office in the name of the appellant pending the adoption of a son by the widow of either Sivramappa or Neelakantappa.

The widow of Neelakantappa having subsequently been reported to have adopted the respondent, the Deputy Commissioner on 4th June 1901 directed the registry of the shanbhogi office to be transferred from the name of the appellant to that of the respondent.

Decision.

There are two firkas in question. One of them has long been in the family of Bhistappa whose second son Krishnappa and first son's son Neelakantappa got the other Dittur) from a cousin of his (Bhistappa's) named Lingappa. Neelakantappa died a minor. Krishnappa's possession of these two firkas could not be taken to have been

adverse to Neelakantappa. Krishnappa is now dead. Kurubarhalli firka was recently registered in his son the appellant's name. He cannot be given both the firkas. One of them should in fairness go to Neelakantappa's widow Gangavva. The Deputy Commissioner who dealt with the case in 1901 should not have conditionally rejected her claim and suggested an adoption. The *factum* and validity of the respondent's adoption by Gangavva, are contested by the appellant. Government do not feel called upon to consider this question now. The firka which was in Krishnappa's name, *viz.*, Dittur will be transferred to his son, the appellant's name. Gangavva will be registered as the hakdar of the other or Kurubarhalli firka. This is an arrangement which is equitable in every way and should satisfy all concerned. Gangavva should be required to nominate a competent gumasta for the Kurubarhalli firka. If she fails to do so or if the nomination is deemed unsatisfactory, the Deputy Commissioner will himself appoint a qualified gumasta.

Appellant Munegowda. *versus* Respondent Surappa.

Facts of the Case.

On the application in December 1899 of Venkappa, father of the respondent, Survey Nos. 93 and 91 of Bhaktipura village, Anekal Taluk, were granted to him for cultivation. Venkappa (since deceased) however actually entered on Survey No. 94 instead of Survey No. 93. In August 1900 Munegowda and other raiyats of Bhaktipura applied to the Deputy Commissioner for the grant of Survey No. 94 and two other Survey numbers and the Assistant Commissioner granted the said lands to Munegowda who took possession of them in March 1901. Surappa having appealed to the Deputy Commissioner against the grant to Munegowda of Survey No. 94 of which he was in unauthorized possession, the Deputy Commissioner (Mr. B. K. Venkatavaradaiengar) directed the grant of Survey No. 94 to the respondent for an upset price and the grant of Survey No. 93 to Munegowda. Against this order Munegowda has appealed to Government. The present Deputy Commissioner (Mr. M. S. Narayan Rao), finding it difficult to carry out his predecessor's order, has also referred the case for the orders of Government.

Decision.

Surappa's father applied for and obtained No. 93. It was subsequently found that instead of No. 93 he had taken possession of No. 94. He was ordered to be ejected. No. 94 with certain other lands was given to Munegowda in March 1901. He has since been in possession. The Deputy Commissioner's order directing that No. 94 be restored to Surappa, the latter's No. 93 being given to Munegowda, cannot be supported and is accordingly set aside.

No. 89—P. F. 13-02, DATED BANGALORE, 11TH JULY 1902.

Copy of the above is forwarded to the Deputy Commissioner, Bangalore District, together with the vernacular records received with his letter No. 495, dated 29th October 1901.

Proceedings of the Government of Mysore, Forest, dated 23rd July 1902.

READ—

Government Proceedings No. 301-2—1635-6, dated the 30th October 1901, requesting the Deputy Commissioners of Hassan and Kadur Districts to report the facts and to favour Government with their opinion on petition dated 4th September 1901, from Mr. Abdul Rahman of the Yemmediddi Coffee Estate in the Kadur District, representing that he and other coffee landholders have hitherto enjoyed the privilege of removing firewood from their estates, either for their own use or for sale, without any free pass, and that they are now prevented from removing firewood unless under cover of a free pass obtainable from the Amildar of the taluk concerned.

READ ALSO—

The following letters from the Deputy Commissioners concerned reporting the actual practice obtaining in the districts and suggesting that coffee planters should obtain licenses as hitherto, as most of the estates are situated inside Government forests.

Letter No. 656, dated 2nd November 1901, from the Deputy Commissioner, Kadur.

Letter No. 261, dated 18th May 1902, from the Deputy Commissioner, Hassan.

Note dated 26th May 1902, by the Officiating Conservator and Secretary to Government, Forest Department.

No. 36-43—464-71, DATED BANGALORE, 23RD JULY 1902.

ORDER THEREON.—Under the rules published under Notification No. 155, dated the 14th December 1887, all timber removed from coffee lands, the purchasers of which have bought the Government right to reserved trees, must be covered by a free pass issued by the District Forest Officer or Amildar. Similarly, unreserved wood and bamboos can only be removed beyond the estate in which they are cut under cover of a free pass. The question has been raised whether the term "unreserved wood" includes firewood also. The practice in the Hassan and Kadur Districts has been to hold firewood as embraced in the term "unreserved wood" and to require exporters of firewood to take out free passes. Having regard to the situation of coffee lands in the midst of Government forests and with a view to safeguard their interests, Government are of opinion that the practice obtaining in Hassan and Kadur Districts should continue and accordingly direct that, pending the issue of rules for the transit of forest produce under Chapter V of the Forest Regulation and in modification of all previous orders, firewood intended for sale should be covered by a free pass, but that intended for domestic consumption may be removed without a pass. In the latter case, a manuscript note from the owner that such firewood is intended for his own use will be sufficient and he will be held strictly responsible that no other use is made of it than that avowed.

Proceedings of the Government of Mysore, Muzrai, dated 27th July 1902.

No. 194-203—Muz. F. 9-95, dated Bangalore, 27th July 1902.

Order.—On the occasion of the Installation of His Highness the Maharaja Sri Krishnaraja Wodayar Bahadur on Friday the 8th August 1902, the following programme will be observed in Muzrai Institutions throughout the Territories of Mysore.

In all places of worship under the State Muzrai Department, prayers should be offered at a convenient time between the hours of 7 A. M. and 11 A. M. on the above mentioned day, for the long life and prosperity of His Highness the Maharaja Sri Krishnaraja Wodayar Bahadur and Family. *Abhishekam* and *Utsavam* in Hindu temples, and other appropriate ceremonies in places of worship other than Hindu temples, should be duly celebrated. The co-operation of the managers of places of worship other than Muzrai Institutions, will be invited by the Deputy Commissioner concerned, with a view to carry out a similar programme in them as far as may be feasible.

2. To meet the cost of carrying out the above programme at places of worship under the management of the Muzrai Department, a sum of Rs. 3,200 is sanctioned from State Funds. The Comptroller to the Government is requested to place at once sums of money as noted in the margin at the disposal of the Deputy Commissioners and the Palace Controller, who are requested to submit bills of actual expenditure in due course. The Deputy Commissioners are also requested to distribute the sums placed at their disposal among the Taluks in their Districts, with reference to the actual expenditure incurred in each Taluk on the occasion of the Installation in 1895.
